Persons, including Shop Stewards and Working Teamster Forepersons, are absolutely forbidden and are without any actual or apparent authority to, in any manner, interfere or threaten to interfere with the operations of any person, including Employer signatories — or Employers that are non-signatories — to any collective bargaining agreement with this Local without, prior thereto, receiving express approval for such conduct from the Chief Operating officer of this Local.

Upon a determination by the Union that an Employer has attempted to undermine the conditions established by the Agreement or that Employees have not satisfied their obligations under the Agreement, and that it would be in the interests of the bargaining unit to appoint a Shop Steward from outside the bargaining unit, the Union may appoint such an individual as Shop Steward until it determines that substantial compliance with the conditions in the Agreement has been restored.

An Employee who has been appointed as an On-Site Steward shall maintain his position on the seniority list of the Employer he was employed by at the time of his appointment for the duration of his appointment, provided he returns to his Employer within fifteen (15) working days of the termination of his employment.

SECTION 13. ARBITRATION

Should any dispute arise between the Employer and the Union concerning the application or interpretation of any provision of this Agreement or concerning any term or condition of employment under this Agreement, the representatives of the Employer and the Union shall attempt to adjust the controversy between themselves. In the event that they are unable to adjust the same, the dispute shall be submitted to one of the impartial arbitrators designated below.

Any employee, whether on the seniority list or not, who wishes to make a claim due to an alleged infraction of rules in reference to the Union Agreement, must first be obligated to shape either the home barn of the Employer or the job site by 8 :00 a.m. The Employee must make himself known to supervisory personnel on the job. An employee who is not on the seniority list

of the employer must remain on the job site and be available to work for at least the first four (4) hours of the day. The employer must receive notification of any such claim by an individual employee within 30 days of the alleged violation. All claims which do not meet these requirements shall be declared null and void.

If the Employer agrees to pay the claim, the claimant must remain on the job site for the remainder of the day.

The parties agree that they will not go to Court to prevent any arbitration.

The parties agree that they will not go to Court to vacate or appeal any arbitration involving an individual member (e.g., discharge, suspension, wage claim).

List of Impartial Arbitrators:

RICHARD ADELMAN, HOWARD EDELMAN
JACK TILLEM, RALPH BERGER

In each matter submitted to arbitration the Employer Representative and the Union shall select the Arbitrator by lot.

It is understood that the costs for any arbitration proceeding instituted pursuant to the terms of this Agreement shall be shared equally by the parties thereto. Should either party to said arbitration refuse to participate in the selection procedure set forth in this Agreement, within ten (10) working days after notice thereof by the other party, then the non-participating party shall accept the designation of the Arbitrator selected by the participating party and agrees to take part in the arbitration and agrees to be bound by the decision of the selected Arbitrator.

If the dispute concerns the discharge of an Employee, the discharged Employee shall have the right to be present at the proceedings. If it is found that he has been wrongfully discharged, he may be reinstated with back pay for time lost.

Time during which a truck is not working during inclement weather shall not be counted nor shall the periods of December 15th thru March 15th be counted towards said three (3) month period.
